Township Register

COVERING WASHINGTON TOWNSHIP, ALAMEDA COUNTY, CALIFORNIA, INCLUDING
ALVARADO, CENTERVILLE, DECOTO, IRVINGTON, MISSION SAN JOSE, NEWARK, NILES, WARM SPRINGS

FIFTY-FOUR YEARS OLD | THE TOWNSHIP REGISTER, NILES, CALIFORNIA | FRIDAY, JUNE 19, 1942 | NUMBER 25

WHAT TO DO IF AN AIR RAID OCCURS

(This has been approved by the Civilian Protection Division of the United States Office of Civilian Defense)

1. In ANY air raid or blackout, take cover immediately.

a. If you are away from home, GET OFF THE STREET. You are ten times safer in a building then standing or walking on the street. If you are in a car, pull to the side of the road immediately. Do NOT double park. Keep clear of fire plugs. Get out of the car, bus or street car and take shelter.

b. If you are at home, take immediate blackout precautions. Extinguish all lights. Have your fire protection equipment ready. Go to your blackout room, it should be the safest room in your home. Stay away from windows. Bomb explosions shatter glass for considerable distances.

2. Don't use the telephone. Remember those persons who have been trained to protect you — the air raid wardens, fire watchers, auxiliary firemen, auxiliary police, and many others, MUST be able to get really important messages through. Your personal calls have got to wait until after the all clear signal.

3. If you are caught in the open lie down on your stomach. You are twice as safe lying down as standing up.

4. If incendiary bombs fall, play a coarse spray of water on them. Put out the fires started by the incendiaries first, then devote your attention to the bomb. The coarse spray of water burns the bomb up faster. A heavy jet, stream or bucket of water will make the bomb explode. If you have no way of treating the bomb with water, cover it with dry sand. Then with a blunt-nosed shovel scoop the bomb onto a pile of sand, dump the sand and bomb into a pail and take it outsde.

5. Remember, OBEY YOUR AIR RAID WARDEN AND OTHER MEMBERS OF THE UNITED STATES CITIZENS DEFENSE CORPS. THEY ARE TRYING TO HELP YOU.

6. Above all — KEEP COOL — STAY HOME—PUT OUT LIGHTS — TAKE SHELTER — LIE DOWN — STAY AWAY FROM WINDOWS. YOU CAN HELP.

AT SCOUT CAMP

The following members of the Niles Boy Scout troop left for camp at Dimond-T in the high Sierra on Monday morning: Romeo Brunelli, Gordon Kibby, Ronald Cozzi, Clayton George, Howard Mendonca, Earl Silva and Andrew Lindsay.

BURNING PERMITS

Chief A. M. Alves now has county burning permits for the use of residents of the Niles Fire District who burn trash at their homes or places of business. There is no charge.

Alvin Silva is on an extensive visit with relatives at Gustine.

Are you entitled to wear a target lapel button?

You can ONLY if you are investing at least ten percent of your income in War Bonds to do your part on the home front toward winning the War.

The target lapel button is a badge of patriotism, a badge of honor. You should feel proud to display it. The buttons are obtainable at your plant management, at the office of your local War Bond chairman, or at your Payroll Savings Window where you authorize your ten percent payroll deductions.

Enlist in the ten percent War Bond army and do your part to win the War. *U. S. Treasury Department*

AIRPLANES STUNT

Several twin-motored P-38 planes hedge-hopped over Niles housetops so low last Thursday afternoon the pilots had to pull back on their sticks to clear the town's flag pole. They seemed to miss telephone wires by inches, and being among our fastest planes zipped in at 300 miles per hour and certainly made the townspeople "sit up and take notice." Come again, boys!

PRACTICE MEETING CALLED SUNDAY AT HIGH SCHOOL

CENTERVILLE — Dr. Dorothy Allen, Chairman of first aid for Oakland Chapter of American Red Cross and Mr. John Truscott, Chairman for Washington Township branch have called a meeting of all Red Cross units in the Township at Washington Union High school at Centerville next Sunday evening at seven (7) o'clock. Doctors, nurses, first aiders, demolition squad and mobile units will see action to test their efficiency in actual disaster. The general public is invited and urged to attend.

We hope for a large attendance at this meeting to stimulate the continued interest of our volunteers in their work. The public will find the meeting instructive and make the rescue, transportation and treatment of "victims" as realistic as possible.

We are still in need of volunteers for the staff of the Service Center.

An opportunity will be given to sign up at this meeting. Similar meetings in adjoining communities have had a large attendance. Let us show our Oakland visitors that Washington Township is back of our volunteer groups and stand ready and willing to help in any emergency that may arise. Remember the date and hour, SUNDAY, June 20, at 7 o'clock p. m.

F. T. Dusterberry,
Chairman, Washington Township,
Coordinating Committee.

REDUCE DRIVING AND FORESTALL FEDERAL ACTION

Conserve your tires and eliminate the threat of gasoline rationing!

This plea was broadcast today to nearly 3,000,000 motor vehicle owners by the State Highway Traffic Advisory Committee, charged by the Office of Defense Transportation with carrying out the program of conservation of vital war transportation in California.

The ODT plan offers a solution of the current serious rubber shortage through "democratic processes," a committee statement said. By voluntary reduction of all non-essential driving, sharing the car with others, reducing speed, keeping tires carefully inflated, careful driving and compliance with a plan for staggering hours of work, the statement said, the motoring public wll have accomplished all that could be accomplished by gasoline rationing.

"Thus the need for arbitrary exercises of governmental authority will have been eliminated," the statement said. "This is the American way of solving a problem. Nobody wants gasoline rationing in California. The way to avoid it is to adopt a driving program that will make your present tires last for several years."

NEW LEADERS NAMED

The board of directors of the Niles Junior Chamber of Commerce met Thursday night of last week and asked Past President Ed Enos to fill out the unexpired term of Jack Parry, who went into service on Monday. Fred Duffie accepted the post of Scoutmaster for the Niles Scout troop and John Cattaneo has been asked to serve as Master of the Niles Cub Pack, also succeeding Parry.

Let Everybody Know You're Investing 10 Percent of Your Income in War Bonds

The attractive red, white and blue window sticker, pictured above, is the new yardstick of patriotism in the War Bond drive throughout the nation. With the slogan, "Everybody every pay day, ten percent," sweeping the country, patriotic Americans on the home front are rallying to their Government's appeal for funds with which to help finance the war. The home which displays the "ten percent" sticker is doing its share toward Victory for America and the United Nations. The stickers are being distributed through local War Savings Chairmen. *U. S. Treasury Department*

NEW CITIZENS SHOULD REGISTER NOW FOR VOTING

Druggist D. R. Rees of Niles has been appointed keeper of vital statistics for Washington Township, succeeding Mrs. Ethel Fournier. Records of births and deaths in the Townshp should be mailed or brought to Mr. Rees.

He also wishes to notify the public that he has a registration book where citizens should sign up for voting if they dd not vote in the last election; if they have moved from one precinct to another within Niles; or if they have attained their majority since the last election. Mrs. Fournier also takes registrations at the Sprouse-Reitz store in Niles.

Persons who have moved into Niles and who wish to vote at the primary election in August, who were registered in other places, should write the county clerk of the county whence they came to remove their names from the records, and should regster again here, as soon as possible.

In order to vote a person over 21 years of age must have lived in California six months, in this county three months, and in Niles for 30 days prior to the time they register.

And by the way — Mr. Rees also conducts an excellent drugstore well-stocked with most everything a person needs for their own cleanliness and health.

PRATALI LEASES HOTEL BELVOIR, NOW IN CHARGE

Paseo Pratali of the Wesley Hotel has leased the Hotel Belvoir and took charge on Monday, succeeding Clark Griffin who left town Monday for Fair Oaks near Sacramento to work as an accountant in the office of the Pacific Coast Aggregates company.

Mrs. Griffin left on Wednesday for a well-earned rest at their cottage at Aptos, near Santa Cruz. They wish to extend their good wishes and say their goodbyes to their many friends in Washington Township through this newspaper.

Mr. Pratali plans to maintain the high quality of service provided by his predecessors at the Hotel Belvoir and the guests residing there have not been discommoded by the change of management.

HAIR CUTS GO UP

Union barbers of Washington Township have been instructed by their county local to raise the prices of their services, effective next Monday. Haircuts will be 75c, shaves 50, etc.

Jimmy Logan, U. S. N. is now stationed at Oakland.

SERVICES HELD FOR CONSTABLE AT CENTERVILLE

CENTERVILLE — Thomas M. Silva, 62, deputy sheriff of Alameda County and constable of Washington Township since 1918 died at the San Jose Hospital early Sunday morning after an illness of more than a year.

Funeral services were held Tuesday morning at 8:30 o'clock from the Chapel of the Palms with mass at the Holy Ghost church at 9 o'clock and interment at the Holy Ghost cemetery.

Silva's entire life was spent in the community in which he was born. He is survived by his widow, Carrie, and two children, Tom Silva Jr., of Centerville, and Mrs. Olive Belini of Niles. He was the brother of Mrs. Mary Fontes of Centerville and Anthony Silva of Irvington.

His fraternal and civic affiliations were numerous. He was a member of the Centerville Lions Club, the Washington Township Men's Club, the U.P.E.C. of Centerville, the I.D.E.S. of Mission San Jose, the Washington Parlor of N. S. G. W., the Centerville Grove of U.A.O.D., the Alameda County Employees' Association, the Deputy Sheriffs' Association of Alameda County and the State of California Peace Officers' Association. He was a charter member of Lambda Alpha Epsilon, honorary peace officers' association.

He was elected constable of Washington Township in 1918 and re-elected for two other terms, coming under civil service as deputy sheriff in 1930. He would have completed his 24th year as a peace officer in December

The funeral was one of the largest and most impressive held here for many years. The generous floral offerings showed the high esteem in which the late citizen was held. The sympathy of the community is extended to the bereft survivors.

NILES RATION BOARD IS IN NEED OF TYPISTS

An urgent call for volunteer typists at the Washington Township Rationing Board has been made by George C. Roeding Jr., chairman. Applicants for tires and canning sugar have brought a capacity attendance at the office on First Street, Niles.

The following hours have been designated for receiving applications for canning sugar and housewives are asked to call only at this time: Monday, Tuesday and Friday from 1 to 4:30 p.m. A typist who can bring her own typewriter is doubly welcome.

MINUTE MAN FLAG FLIES AT WEDGEWOOD

NEWARK — The James Graham Manufacturing company has been awarded the Minute Man Flag by the Treasury Department, signifying that over 90% of the employees in the plant are authorizing a deduction of 10 percent from their wages toward the purchase of War Bonds. Manager L. R. Burdick states that their employees pledged 100 percent to buy war bonds and stamps regularly.

FEDERAL USE TAX STAMPS FOR YEAR ON SALE FOR $5

Federal motor vehicle use tax stamps, costing five dollars and covering the 1942-43 fiscal year, went on sale Wednesday, June 10 at post offices and offices of internal revenue.

By July 1, all motor vehicles must display the 1½ inch by 2 inch postal red insignia bearing the $5 price mark on its gummed face. The California State Automobile Association warns motor car owners that internal revenue agents will launch investigation of cars without stamps shortly after the July 1 deadline.

Space is provided on the back of the $5 stamp for the make and model of car, engine number and license number. The insignia may be displayed in the lower right hand corner of the windshield or otherwise prominently placed in the car.

Warning that there will be no extension of time in the purchasing of the stamp, governmental instructions to sellers point out that motorists who have stored their cars for the duration need not purchase a stamp, nor will there be a rebate forthcoming in case a motorist obtains a stamp and then cannot get tires or gasoline to operate the vehicle

Reports from Washington indicate the use tax will remain effective for the duration, with governmental officials estimating this year's revenue from the use tax stamp sale will reach $150,000,000.

325 ANTELOPE KILLED LAST WEEK

SAN FRANCISCO — The first week of the antelope season in California accounted for the taking of 325 bucks by 358 hunters, and it was expected that at least 75 more antelope would be bagged during the second weekend of the season.

Mrs. J. McCloud of Willows reported the heaviest buck of the season so far which weighed 122 pounds. The average weight of the animals checked at the Division of Fish and Game stations was 90 pounds.

With improvement in the weather conditions in the Lassen-Modoc area, it would seem possible for the majority of the hunters to have a successful hunt.

FARM BUREAU MEMBERS DISCUSS CURRENT PROBLEMS

CENTERVILLE — On Tuesday evening the last meeting until September of the Eden Washington Farm Center was held at the high school here with James Nunes presiding. The apricot picking and dry yard situation was gone into as well as the transportation problem. The pay for harvest help in the apricots, tomatoes and sugar beeets was also discussed.

The members heard about an agreement made between the Farm Bureau and the Canners League regarding labor transportation.

PTA RUBBER DRIVE

The Niles P. T. A. is backing the scrap rubber drive locally and will provide a pick-up service Friday if parties will phone the president, Mrs. Fred Duffie at Niles 4506, or will take their rubber to the Crane Garage.

TRIAL INCIDENT TO BE HELD IN NILES ON TUESDAY

A practice "incident" for civilian defense first aiders and air raid wardens is to be held in Niles next Tuesday night at 7:30 o'clock at the fire house, Chairman T. C. Wilson announced at Monday's luncheon meeting of the Niles Chamber of Commerce at the City of Florence Restaurant.

A plan is also afoot to have all the civilian defense workers of Niles assemble at the Memorial Building in Niles on a Sunday afternoon yet to be selected, to be photographed as a group. If all the first aiders, sheriff's deputies, demolition and rescue workers, Boy Scout messengers, trained nurses, firemen and auxiliaries, air raid wardens, and everyone doing anything under civilian defense turn out for the picture, there will be some 300 or 400 persons in the group.

A photographer with a panorama camera is to be asked to come to Niles when the date is set, take the picture, and then take orders for copies from the persons photographed.

Every other Tuesday night graduate first aiders are requested to assemble at the Niles fire house at 7:30 o'clock for practice work. More men are needed to take these courses, according to Dr. Wilson, but only men who are not already serving in some other department of civilian defense should take them.

NURSERYMAN DIES OF HURTS IN FALL

CENTERVILLE — John Silva, 48, Centerville nurseryman who suffered a fractured skull when he fell from a ladder 10 days ago while trimming trees on Main Street, died at the Hayward Hospital early Sunday.

Funeral services were conducted Tuesday morning at 9.45 o'clock at the Sorensen Brothers parlor in Hayward, with mass at the All Saints Church and interment in the Holy Sepulchre Cemetery. He was the husband of Mary T. Silva, and the father of Arnold P. and Adrienne; the brother of Mrs. Mary Daniels of Milpitas, Mrs. Amelia L. Silva of Hayward, Mrs. Mary Lund of Oakland, John T. and Sylvester T. Silva of Hayward. He was a native of the Azores and had been in California 37 years.

INDUSTRIAL USERS OF SUGAR MUST SIGN UP AGAIN

Registration of institutional and industrial users of sugar will begin June 20 and closes July 5 at the Washington Township Rationing Board in Niles.

Those who apply must bring carbon copies of forms 310 and 314 received in their first registrations.

The following days have been designated for signing up persons or institutions with the following initials:

June 20—A; June 22—B, C; June 23 — D, E, F, G; June 24 — H, I, J, K, L; June 25—M, N, O; June 26—P, Q, R; June 27—S, T; June 29, 30—U, V; July 1—W, X, Y, Z.

Reserve Lieutenant J. L. Pearson is leaving Niles next Wednesday to enter service at Fort Leonard Wood in Missouri.

Coming Events

FRIDAY

Newark Sportsmens baseball benefit whist party at Newark Grammar school.

SUNDAY

Scout Camp Dimond-O opens in High Sierra.

2:45 p. m. Graduation exercises, Warm Springs Grammar school.

TUESDAY

7:30 p. m. Practice civilian defense incident at Niles.

SUNDAY SERMON

Reverend J. R. Hewitt of Hayward preached at the Niles Congregational Church Sunday morning. Reverend R. C. Day will preach his farewell sermon this Sunday, as he is leaving Niles soon to spend the summer in Oakland. His sermon topic will be "Why Did I Fail"?

— Trade at Home! —

Y. L. I. COMMUNION

IRVINGTON — St. Jude Institute, Y. L. I. will hold their monthly communion on Sunday. Mrs. Beatrice Enos, chairman of the Perpetual Novena will be hostess at a breakfast for those attending the Communion. Deputy Noel Mardis and members of the Institute are making plans for the Installation of Officers for Saturday evening, June 27. Mrs. Beatrice Enos will be chairman of the evening.

IRVINGTON

Mrs. Pearl Dargitz
Correspondent

Mrs. Josh Chadbourne entertained the Ladies Guild of the Irvington Community Church on Friday, June 12.

Mrs. Pearl Dargitz and children left Saturday for Yuba City where they will visit with Mrs. Dargitz' sister, Mrs. Gertrude Dyer for two weeks. Mrs. Dargitz will return home after the two weeks and the children will spend a two months vacation with their Grandmother, Mrs. Kate Shepherd of Woodland.

Mrs. Lucille Day is replacing Mrs. Pearl Dargitz at the Irvington Post Office for the two weeks.

Mrs. C. Brewer left for San Francisco where she will visit with her daughter, Mrs. Pearl McGovern and children, Janice and Jean. Mr. Brewer recently sold her home here but has not decided definitely where she will make her permanent home.

Mrs. Eugenia Campos of Hanford is spending the week in Irvington with her daughter, Mrs. Lucille Day.

Mr. and Mrs. Oliver Campos are the proud parents of a baby boy born June 12. Mother and son are reported to be doing well.

Private Curt Vaughn of Camp Roberts spent the weekend with Mr. and Mrs. Bud Karius here.

Word has been received by Mrs. Mary Dutra, mother of Private Elmo Rose of the U. S. Army that he is stationed in Australia at present.

Anne Rose of Irvington was initiated into the Native Daughters of the Golden West at ceremonies held Monday night at the Scottish Rite Temple in Oakland, with the Alameda County Deputies doing the Ritualistic Work. Irvington members attending the meeting were Mary Freitas, Marie Williams and Evelyn Garcia.

V. M. Cramer has returned to his home following an operation performed at the San Jose Hospital, and is doing well.

Wayne Day is now employed as Metalsmith at the Alameda Naval Air Base.

Joseph Castelhano is at the San Jose Hospital where he underwent an operation and at present is getting along nicely. His friends wish him a speedy recovery.

Mrs. Natalie Gomes has returned to her home in Irvington after an absence of two months, which she spent at the home of her parents in Hanford. Mrs. Florence Campos, mother of Mrs. Gomes accompanied her home and will spend the week visiting here. Also accompanying her are Janet and Bette Campos.

WHAT EDNA LEARNED FROM MRS. HURND

I THOUGHT YOU SAID YOU WERE GOING TO CUT DOWN SO WE COULD SAVE FOR OUR VACATION. WHY WE SPENT MORE FOR GROCERIES THIS MONTH THAN LAST MONTH. WHY CAN'T WE ETC. ETC. . . .
--AND EVERY DAY I SHOP ALL OVER TOWN FOR BARGAINS. WHAT SHOULD I DO? THERE MUST BE AN ANSWER.
THERE IS, DEAR. IF YOU'LL ONLY TAKE MY ADVICE AND. . . .
YOU WERE CERTAINLY RIGHT, MRS. HURND. ALL THESE PRICES ARE LOW. IS IT SOME SORT OF A SALE?
NO, EDNA. THAT'S WHAT I'VE BEEN TELLING YOU IS THE BEST THING ABOUT SAFEWAY - EVERY ITEM IS LOW PRICED EVERY DAY.
WHAT A VACATION WE'RE GOING TO HAVE, EDNA! SO HELP ME, I DON'T KNOW HOW YOU SAVED SO MUCH.
SIMPLE, RALPH. I JUST LEARNED THAT ITS THRIFTIER TO DO ALL OF MY SHOPPING AT SAFEWAY WHERE ALL PRICES ARE ALWAYS LOW, RATHER THAN BARGAIN HUNTING ALL OVER TOWN.

Sunday school — Younger children at St. James Episcopal, older children at the Presbyterian church. Parents can attend the church service while the children are in classes.

ST. JAMES EPISCOPAL CHURCH

Centerville
11 a. m. Morning Worship.

CHRISTIAN SCIENCE CHURCHES

"The Lord by wisdom hath founded the earth; by understanding hath he established the heavens." These words from Proverbs comprise the Golden Text to be used Sunday, June 21, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. The subject of the Lesson-Sermon will be "Is the Universe, Including Man, Evolved By Atomic Force?"

Included among the Scriptural selections will be: "And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so," (Gen. 1:11).

The following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included: "The human mortal mind, by an inevitable perversion, makes all things start from the lowest instead of from the highest mortal thought. The reverse is the case with all the formations of the immortal divine Mind. They proceed from the divine source; and so, in tracing them, we constantly ascend in infinite being," (p. 189).

NEWARK SPORTSMEN DEFEAT SAN JOSE BASEBALL CLUB

NEWARK—The Newark Sportsmens baseball team under the managership of Joseph Dias defeated Robin's Cafe from San Jose Sunday at the Newark school diamond by a score of 7 to 4. This club has a high rating along the Pacific Coast and the Newark club felt mighty proud of themselves to win the game.

The Robin's Cafe led in the ball game until the seventh inning with the score reading San Jose 4—Newark 2; but Newark got their heavy bats to working in their lucky seventh and scored five runs to win the ball game. Three pitchers paraded the mound for Newark wth J. Wood, a new pitcher acquired by the Newark Club. getting credit for the win; Roy Duarte pitched the first five innings for Newark, and Stanley Roderick pitched the final two innings for Newark. Melvin Nunes and Larry Bettencourt for Newark hit a home run and played beautiful ball on the field.

Sunday at the Newark School grounds the Newark Club will play the McCormick All Stars from Oakland. This club consists of young ballplayers getting into shape and trying their best to make a Coast League and Big League club next season. It has been stated that Mr. McCormick has developed such ballplayers from our community as Leonard Dondero who played with the St. Louis Browns, and Fredde Muller, who played with several Coast league clubs, the most recent being Seattle. Baseball fans here, is is a chance to see the makings of young ballplayers, who are trying their best to make their careers as baseball players.

MISSION SAN JOSE

Miss Ruth Justus
Correspondent

Miss Lorraine Rogers has entered the San Jose hospital to train as a nurses aid. She began her work on Sunday and is very pleased with it as she works in the nursery with the tiny tots.

Mrs. Cassie Witherly spent Sunday in Pittsburg with her son Edward (Neddy) Witherly, recently returned from Fort Warren, Wyoming. He is with the engineerng corps of Uncle Sam's Army and may be moved soon to another locality.

St. Mary's of the Palms held their graduation exercises at the school auditorium on Sunday afternoon with friends and relatives there to watch and enjoy the program. Miss Norma Santos, a local girl was among the graduates. Many of the girls left for their homes in various parts of the state and in a few days the first group will go to their summer camp at Glenwood in the Santa Cruz mountains, where they will spend the summer.

Mr. and Mrs. Peter Brayovich of San Jose and Miss Verna Santos of Oakland were Sunday visitors at the home of their mother, Mrs. Helen Santos and family.

James M. Cross spent Saturday at the home of his brother, Daniel K. Cross on Durham Road before returning to his home in Colorado, after spending six months in Honolulu, Hawaii as a construction engineer.

Miss Evelyn Meyers, daughter of Mrs. Grace Meyers is vacationing in Los Gatos at the home of her girl chum, Miss Mable Macedo, former resident of the Mission.

Miss Betty Bettencourt of San Francisco spent Tuesday here at her former home visiting her aunt, Mrs. Rose Rogers and his sisters, Catherine and May and brother "Buzzy" She is doing office work for a private concern in Frisco.

Herman Mederios, son of Mr. and Mrs. Larry Mederios has just recovered sufficiently to be up and around following a week of being really ill.

Mr. and Mrs. Frank Brown motored to Yosemite on Wednesday and spent the rest of the week enjoying a very lovely vacation. They returned here on Sunday and Mr. Brown returned to his work in Benecia.

Mission claims its first evacuee from San Francisco in the person of Mrs. Maude Darling who will make her home here at the residence of Mr. and Mrs. Joseph Perriera of Palm Avenue for the duration.

Motion pictures of the Frog Jumping contest, The Justina Fiesta, and The Gold Rush days were shown at "Our Place" to the friends and customers of the Castros on Monday by a friend from Santa Cruz.

Shirley Ann Cunha, daughter of Mr. and Mrs. Thomas Cunha of the "Mission Bell" underwent a tonsilectomy at the office of Dr. Grimmer on Tuesday of last week. She and her cousin Anthony Dutra had them out together and Mrs. Dutra took them both home to Newark for convalescing. They are both getting on nicely.

Miss Nelle Warren spent the week at the home of her grandmother Mrs. Beulah Banta in Hayward.

Mrs. Florence Mederios spent Friday in Hayward at the home of her grandaughter, Mrs. Elsie Pachaco, the former Elsie Cardoza.

The first of our ground observers from the Mission to receive his plane emblem for one hundred hours service at the Warm Springs grammar school is Joseph Pereira. Joe is a veteran of the first world war, and because of disabilities is doing his part for the government he served so well last war, by doing a very important job in this one, that of plane spotter.

Richard Gomez of Palm Avenue has been confined to his bed for several days with a double break in his leg where a horse kicked him.

Mrs. Teddy Pereira went by bus to San Francisco on Sunday to see her nephew Frank Prentice of Samoa, who has joined Uncle Sam's forces and expects to leave for training at once. While there she spent some time visiting some of the sisters at the Guerrero Street Dominican Convent.

The many friends and neighbors of Mr. and Mrs. Frank Castro of "Our Place" are looking forward to the Bar-B-Q to be held on Saturday, June 20. There will be Hawaiian music and dancing. The public is invited.

Miss Elaine Justus and her mother, Mrs. H. L. Justus motored to Sacramento on Saturday to enroll Elaine at the McClellan Air Depot there as a Junior Clerk and typist. She will attend a special training course for government and army typists for six weeks before going to the field for actual work.

Chick and Frank Yamada now evacuated to Auburn have not forgotten their American friends here, as they have sent several crates of cherries and strawberries to different friends in this locality.

Mr. and Mrs. Phillip Evaul of Centerville spent the evening at the residence of the Justus' one day last week.

On Monday Mrs. Maude Witherly, formerly of the W. P. A. project here and now on the civilian defense program at the Mission Grammar school invited all the boys and girls of the Mission to Linda Vista park to enjoy the day swimming, playing games and picnicking.

Mrs. Stella Perez and son of Oakland are visiting at the home of her parents here.

VISIT IN VALLEY

Mrs. Walter Waynflete, Hugh and Diane Waynflete, Harold and Walter Kleinsasser drove to their parents home in Dinuba, Tulare County last Friday, where they are remainng for a week. Harold returned to Niles Sunday. Hugh is spending the summer there on his grandparents' farm.

MISS JEWELL KING TO WED EDWARD ENOS ON SUNDAY

NEWARK — Miss Jewell King, 18 years of age, daughter of Mr. and Mrs. Louie King of Decoto will be married Sunday at 1 p. m. at the Corpus Christi Church in Niles to Mr. Edward Enos, 18 years of age, son of Mr. and Mrs. Manuel Enos of Newark.

Both Miss King and Mr. Enos graduated from Washington Union High School Sunday afternoon, June 7 at the High school stadium. Enos is employed as a welder at the Moore Dry Dock Shipyards in Oakland.

The bride will wear a green dress and the maid of honor Nadine King will wear a brown dress. The bridegroom and best man. Tony Lemas will wear an oxford gray suit. A dinner will be held at the home of Mr. and Mrs. Louie King following the wedding ceremony.

They are planning on a trip to Los Angeles for their honeymoon.

COUNTY RECEIVES GOVERNMENT MONIES

Total government receipts of Alameda county amounted to $12,368,692 for the year ending June 30, 1941, compared with $11,496,276 for the fiscal year 1940, study of the revenues of California counties, completed today by California Taxpayers' association, shows.

During 1941, the county collected $6,171 765 in general taxes and received $5,325,540 in subventions and grants, the association found. In 1940, general taxes brought $6,115 384 into the county coffers and subventions totalled $4,720,272 Miscellaneous other receipts, including licenses and permits, fines and penalties, fees and commissions, and other special revenues made up the remainder of the revenues of the county for each year.

Principal subventions received by counties are the federal and state aid for welfare and state subventions for county highways, together with the share of liquor and licenses. All these subventions, the association pointed out, come out of the pockets of the people in one tax or another.

COUNTY RECEIVES GAS TAX MONIES

State Controller Harry B. Riley today apportioned $308,946 of gasoline tax money to Alameda County for the quarter ended March 31. The allotment was made on the basis of a motor vehicle registration of 197,069 for this county.

Riley said the apportionment was part of a total distribution of $14,283,707 of gasoline tax revenue. Of the total he apportioned $4,761,236 to California's fifty-eight counties; the balance of $9,522,471 he deposited in the State Highway Fund for highway construction and maintenance.

Of the latter amount $2,380,618 will be apportioned later to cities for highway work to be done either by the cities themselves or by the Division of Highways on thoroughfares within cities.

NILES LOCALS

Miss Rosemary McDonald
Correspondent

Col. C. S. Bendel of San Rafael, brother of Roland Bendel of Niles, who has been retired for several years, has recently been called into active duty.

Henry Snell is in Del Monte for a week attending a convention of druggists.

Mr. and Mrs. Lester Duffey spent last week at Paradise Park where they were joined by Mr. and Mrs. Warren Duffey of Monterey.

Private Vernon Ellsworth visited his parents, Mr. and Mrs. E. A. Ellsworth on Saturday.

Fred Duffie Jr., is confined to his bed with mumps.

The Niles Cub Pack assisted the P. T. A. in their first drive to collect old rubber last week. There will be another pick-up drive on Friday. Anyone having old rubber to dispose of may either get in touch with Crane's Garage or with Mrs. Fred Duffie.

DECOTO NEWS

Mrs. Edmund Francis
Correspondent

Mr. and Mrs. Kenneth Garcia are receiving congratulations upon the arrival of a baby girl.

Mrs. Manuel Muniz and Mrs. Pinza spent Thursday in San Francisco, where Mrs. Pinza took an examination to become a citizen of the United States.

NEWARK SPORTSMEN PLAN PARTY TO RAISE TRAVEL FUND

NEWARK — At a recent meeting of the Newark Sportsmens Club with R. A. Jolly presidng it was decided to hold a whist party soon for the benefit of the Newark Sportsmens baseball team. The Newark team has been invited to play a game with a club in Reno, Nevada the latter part of July. The proceeds of the whist party will go towards the expense of this trip for the club. Due to Newark's fine exhibition of baseball recently they were very happy to receive this invitation, which they hope they will be able to accept if sufficient funds can be raised at this party to make this trip.

The Sportsmen were recent guests of the San Leandro Club, according to President Jolly.

Mr. and Mrs. John J. Cordeiro attended a wedding in Oakland on Saturday.

Mrs. Virginia Enos, Mrs. Mary Amaral, and Mrs. Anna Rose of Centerville are attending the Native Daughters' Convention in Oakland.

A number of the Decoto Boy Scouts left on Saturday morning for a week's outing at Dimond Camp.

Mr. and Mrs. Edmund Francis, Lowell Lamoureux and Babe Blackburn of Oakland attended a barbecue at the home of Mr. and Mrs. Earl Mitchell at Berkeley on Saturday evening.

The Jos. Pearce Canning Company is now putting up their annual pack of cherries.

Frank Leiva, Jr., son of Mr. and Mrs. Frank Leiva, who is in the U. S. Army in the State of Washington, has been confined to the hospital there, recovering from an injured ankle.

Milton Spaulding of Oakland was a business visitor here on Tuesday.

Mrs. Connie Amaral, Mrs Marion Zwissig, and Mrs. Ida Francis, accompanied by Mrs. Marie Williams, Mrs. Evelyn Garcia, Mrs. Mary Freitas, and Mrs. Ann Rose of Irvington attended a Native Daughters' meeting in Oakland on Monday evening.

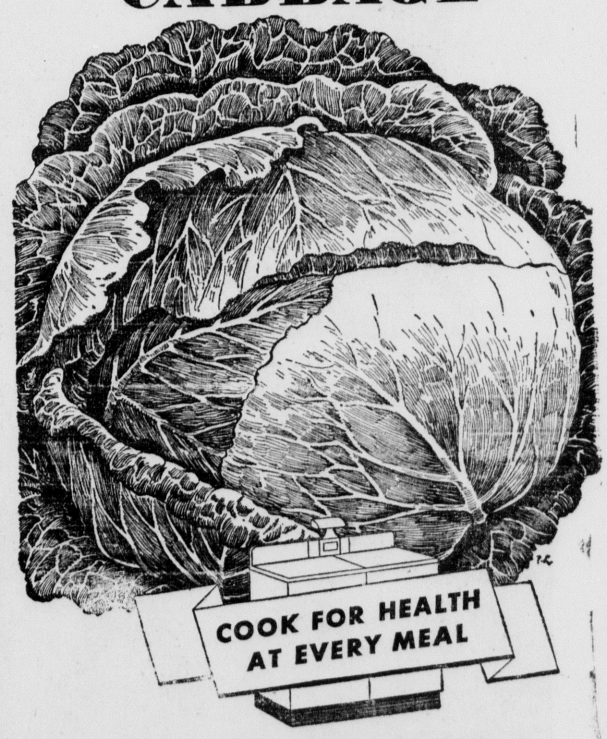
Consider the CABBAGE*



CONSERVE VITAMINS AND HEALTH-BUILDING MINERALS
* Scientific analysis shows that cooked vegetables many Americans eat contain less than half the vitamins and minerals they had when fresh.
For example, CABBAGE cooked the average way (usually too long and in too much water) loses 49% of Vitamin C, 72% of calcium and about 50% of other minerals.
Always start vegetables in boiling water and note the flavor difference!
This is a message to Victory Garden growers and all vegetable and fruit loving Californians.
Cook these healthful natural foods to preserve their full nutritive values. You will be repaid by greater flavorfulness, more appetite appeal, more health-giving energies.
Follow these simple rules to get the most out of the fruits and vegetables you cook.
1. Use short cooking time. Do not add baking soda to preserve color as it destroys minerals and vitamins.
2. Use little or no water. Excessive water boils away the nutritive values in fresh foods.
3. Start ALL vegetables in boiling water.
4. Cook all vegetables as nearly whole as possible.
Buy food carefully . . Cook it right . . Waste nothing.

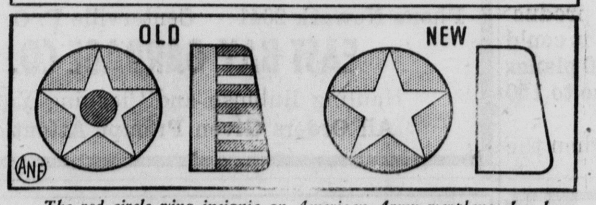
Warplane Insignia Changed



The red circle wing insignia on American Army warplanes has been ordered changed to a white star in a blue circle to avoid confusion with markings on Japanese fighting planes. In addition, the red and white tail markings have been eliminated. The red circle of the insignia — in use since 1919 — has been dropped, it was said, because Japanese fighting planes are marked with an orange-red circle, and in the Southwest Pacific fighting this sometimes confused the defenders.

WESTVACO STILL LEADING TOWNSHIP SOFTBALL LEAGUE

NEWARK — The Westvaco softball team under the new managership this season of Pete Nunes is still leading in the Washington Township Softball League by a margin of one game, up to Monday evening, June 15. Westvaco's only defeat so far in the league was at the hands of the strong Occidental Club recently by a score of 6 to 1.

The Occidental club last week climbed into a tie for second place with Native Sons and Woodmen of the World by defeating Central Chev. and the dark horse team, Woodmen of the World.

Wedgewood for the third time this season had to forfeit a ball game that they actually had won. Wedgewood smeared the Knights on Friday evening, but had to forfeit as there was not a sufficient number of regular players on the field after the second inning.

Now that the evenings are commencing to become warm again, softball fans are urged to attend as many games as possible. Fans need not fear a blackout while at the game as special arrangements have been made to protect them as far as possible.

Scores and highlights of last week's games:

On Monday evening Westvaco nosed out Native Sons, the former league champions, by a score of 2 to 0. "Lefty" Miller for the winners pitched beautiful ball in the clutch and allowed five hits. Occidental defeated Central Chev. in the second game, 9 to 5 with Telles getting credit for the victory.

On Wednesday evening Woodmen of the World defeated the Knights of Columbus 7 to 3. Winning pitcher, Larry Rogers hit a home run with two men on base to score the first three runs of the game. In the second game Native Sons were too much for Central Chev. when they trounced their opponents by a score of 14 to 2. Ornellas for the winners allowed six hits.

Occidental scored a surprising victory over the Woodmen in the first game Friday evening, nosing them out by a score of 2 to 0. Occidental scored their runs without getting any basehits. The Woodmen's pitcher walked in a run and due to other bases on balls issued in the same inning the second run was scored on a deep fly hit into the outfield. Wedgewood defeated Knights of Columbus in the second game, 12 to 4 but had to forfeit the win to the Knights.

The schedule next week finds Wedgewood playing Central Chev. and Knights of Columbus playing Westvaco on Monday evening; Wednesday evening Occidental meets with Westvaco and Wedgewood meets with Woodmen of the World; while on Friday evening Native Sons tangle with Westvaco and Occidental tangles with Central Chev.

Wedgewood	1	6	.166

CENTERVILLE

Miss Maxine Mau
Correspondent

Miss Eleanor Kinzli arrived Friday to spend the remainder of the summer at the home of Mr. and Mrs. John Wipfli Jr.

Ensign Clyde Voorhees, former teacher at Washington Union High School, is stationed at St. Mary's College after completing his course at Annapolis for Air Corps Physical Fitness Instructors.

Ernie Machado of Alvarado will attend the sixth California Boys' State to be held at the College of Agriculture at Davis from June 20 to 27. His alternate is Eddie Brazil.

Pat Costa, Jasquelin Burtch, Virginia Wilson, Hazel Garcia, Margery Hunt, Alberta Menezes, Joy Brown, Elden Mohn, Jack Silva, Dave Webster, Dale Winters, and Jim Robinson took their English A exams at San Jose on June 6.

Mr. and Mrs. Bud Parkinson of San Francisco were the guests of Mr. and Mrs. Pete Wegele recently.

Miss Shelia Leachman is attending the summer session of Merritt Business school.

Ben Ramer of San Francisco spent the weekend visiting his sister, Mrs. Pete Wegele.

Miss Joy Brown of Newark is employed at the Kirkish Dry Goods store here.

Mrs. Mary Armstrong is home and is doing well following an illness which resulted in a two weeks stay at the Alameda Hospital. She resides with Mr. and Mrs. Herman Mau.

Miss Helen Guardanapo of Newark is working at the Cloverdale Creamery.

Pvt. Joe Bauhofer Jr. has been visiting friends and relatives in the communty while he is temporarily stationed in Oakland. Joe's many friends are certainly glad to see him after he has been stationed at Camp Wolters, Texas for the past four months.

Pvt. Eddie Dutra spent the week end visiting friends and relatives in Centerville.

LaVerne Gomes is employed as bookkeeper at the L. and V. Farm Equipment store in Centerville.

The people of Centerville wish to extend their sincere and deepest sympathy to the families of Tom Silva, local constable and of John Silva, Centerville nurseryman, who passed away recently.

A meeting of the Canner's League and of the Farm Bureau was presided over by James Nunes at the high school on Tuesday.

Andrew Schuler, Centerville dairyman, is in the O'Connors Sanitarium at San Jose from serious injuries received when he was attacked by a bull at his dairy on the Centerville-Alvarado Road.

Dr. Edward Westphal, now a member of the U. S. Army expects to leave soon for Peru where he will be stationed indefinitely.

Lieut. Lawrence Slief of the United States Army recently visited his uncle, Barton Webb.

THE POSSIBILITY OF GAS ATTACK

By Dr. Ward L. Mould, Medical Gas Officer, U. S. Office of Civilian Defense

(This is the first of a series of six articles about war gases, their characteristics, and the measures the civilian can take to protect himself against gas injury.)

The first step in the citizen's defense against war gases is to obtain a clear understanding of what gas can and cannot do. This series is designed in part to dispel some of the current misinformation about war gases.

Despite the increasing range and capacity of aircraft, a gas attack on a large enough scale to cause injury to a substantial portion of a large city is not regarded in authoritative quarters as feasible. Even in limited areas gas, to be effective, must be used in great quantities.

Gas might be used in an attack upon a city either alone or in conjunction with other weapons. The better citizens are trained and equipped to deal with gas the less likely it is that gas will have any appreciable effect.

Quick-acting types of gases may be used against a community to produce immediate casualties, throw the population into a state of panic and disrupt their Protective Services. Slow-acting types, which may remain effective for several days in a liquid form, may be used to "contaminate" important factories, railroads, highways, etc. to prevent their use. Such gases could be sprayed or sprinkled from airplanes in the farm of a fine rain or they might be contained in bombs dropped from planes. Citizens will find it of value to know something of the varieties of gas that might be used.

(Next week — The Types of Gases.)

Don't waste anything, for that means wasted money. Wasted money is wasted lives in wartime. Every dollar you can save should go toward War Bonds to help your state meet its quota.

California's first newspaper, the Calfornian, published in Monterey in 1846, was printed half in English, half in Spanish.

Cable cars were invented in San Francisco.

VIRTUE IN THE PRESENT CRISIS

By Leone Baxter

A return to the "good old days" that men nostalgically have longed for — to the disparagement of many modern folderols — may be nearer than we think.

With the new war-time need to conserve equipment of every kind and with the ablest repairmen going into war work, the day is fast approaching when once again every man will be his own mechanic.

With machine tools of all kinds increasingly unavailable, moderns may turn a kindlier eye back to the village smithy — where a strong man with imagination and a forge could fashion anything he required from a pump handle to a plough share.

Moderns, in fact, may learn to like a lot of things they've laughed at, ignored or forgotten in their heyday of sophistication.

Men may learn to hone their own straight razors as their grandfathers did, instead of chucking a blade a day into the discard. Honing must have required a certain art —and shaving without a safety device, a special genius.

Women will learn how to handle their babies without benefit of rubber pants, just as their mothers' mothers did — for there seems to be rationing in that department, too.

Even youngsters in school will find very shortly that the classroom routine of song and story built around the Little Red Schoolhouse of a generation or so ago, is not wholly fictional after all. The same rationing board that announces shortages of such modern educational needs as clips, paper towels, rubber bands, playground equipment and classroom radios, may hand the kids back their slates and suggest they revise some old-fashioned games that don't depend on shiny steel equipment — like pom-pom pull away, run sheep run, Washington punch and other outdoor games that kept their dads and mothers healthy.

It is improbable that our fathers were blessed with any more natural ingenuity than the average person today. But their spur was necessity — just as it suddenly is today. People are learning to do things for themselves, because they must.

They are carrying their own packages and walking distances they formerly rode. With their Jap gardeners in concentration camps, they are learning to mow their own lawns and to keep their tools in order.

Workers are forming transportation pools to their jobs; farmers pool their products for market and women get together for one joint shopping trip where they formerly made a dozen. They are learning to sew, to repair and to make over, to keep house and do their war work, too.

One of the happiest of old-time institutions is edging in these nights as dusk approaches and the air is swept clean of radio beams that attacking enemy planes might ride. That is the institution of thoughtful conversation, blotted out in recent years by radio, the automobile and by "surface living" that mistook a loud voice for leadership and smart cracks for ideas.

Use your car for the essentials only, keep your tires inflated and drive under 40 advises the State Highway Traffic Advisory Committee. This, it appears, is the way to take the rub out of the rubber shortage!

* * * *

In these rubberless days, the faster you drive, the sooner you'll walk!

TRAP'S POLO ABILITY MADE HIM A FINE CAVALRY OFFICER UNTIL HE SWITCHED TO THE ARMY'S MECHANIZED FORCES!
DURING CONCENTRATED ENEMY FIRE, MAJOR TRAPNELL REMAINED BETWEEN THE HOSTILE FORCE AND HIS OWN TROOPS AND SET FIRE TO A TRUCK ON A BRIDGE! HE WAITED UNDER FIRE UNTIL THE BRIDGE WAS IN FLAMES, THUS BLOCKING THE ENEMY'S ADVANCE--
ALL-AMERICAN HERO! IN 1926, HE GAINED NATION-WIDE FAME AS A GRIDIRON STAR AT WEST POINT! HE WAS ALSO A LACROSSE CAPTAIN, A CRACK RIFLE SHOT AND A FINE POLO PLAYER!
--TRAPNELL THEN RETIRED SLOWLY IN A SCOUT CAR, PICKING UP WOUNDED SOLDIERS AND RALLYING HIS MEN!
PREPARED IN COOPERATION WITH U.S. WAR DEPT. PERMISSION TO REPRODUCE IS HEREBY GRANTED

A STEP IN THE RIGHT DIRECTION

The recent accord signed in Washington last week between Molotoff, foreign comissar for Russia, and our government, exactly reverses the non-aggression farce signed between Russia and Germany after Munich.

Looks like Russia had to suffer her "stab in the back" at Hitler"s hand in order to learn the difference between signing treaties with a fair government or a foul individual.

Yet Russia still has a non-aggression pact with Japan — our present enemy — so no doubt will have to be warred upon before she shakes herself free of alliances with jackals.

Thus are the less fortunte nations to be rearranged because of, and after this war, so we can have a fraternity of nations, with the long promised "Peace on earth, good will to men."

Drive sparingly and carefully! Every pound of rubber saved is a slap for a Jap.

Shrieking tires these days are signs of shriveled minds.

AMERICA HEEDS NAPOLEON

A century before the tank, the bomber — and Adolf Hitler, history's greatest master of the art of war laid down the cynical dictum:

"Providence is on the side with the heavier artillery."

The first American tanks sent into battle, in Africa, lacked fire-power, and so were handicapped in attack under fire of heavier German tank cannon. The first American fighter planes had but two machine guns, while the British spitfires were equipped with twelve.

It is different now!

General Arnold, of the Army air force, announced this week: "The flying fortress has no peer in its field today. And our B-25 bombers can go farther, faster and carry more bombs than the best ships of our enemies." General Gatehouse, British tank expert in Libya, describes our latest tanks as "exceptionally powerful, with thick armor and anti-aircraft cannon, with which we can attack the Germans with confidence."

Napoleon also told his generals: "Impossible is a word of fools!"

It is not an American word, as Production Chief Nelson told the world in revealing our 5000-a-month plane production! "We have found our total production higher than we had any reason to suppose it could be," he said. "One plant, designed to produce 50 planes a month at full capacity, is now producing close to 150 planes a month!"

At the inevitable Waterloo of Nazidom, when the heaviest artillery of sky and battlefield, massed in "impossible" might, shatters the last vestige of Axis power, the shade of Napoleon may be imagined smiling derisively at the annihilation of Schicklgruber, his would-be successor of the Twentieth Century.

Don't brag about the speed your car will make. Save the hot air for the tires and they'll last longer.

TURN IN YOUR RUBBER!

If the American public can salvage enough rubber by June 30th, motorists may avert gasoline rationing and get recapped tires. Almost every attic, basement, barn, and garage is an untapped reservoir of idle rubber. Today's most urgent problem is getting this rubber into service station depots. President Roosevelt has authorized every service station in the U. S. to serve as a collection center in this all important two-week emergency drive.

Everything counts — Fido's rubber bone, the youngsters outgrown playthings, Dad's old fishing boots, Grandma's leaky hot-water bottle and hundreds of other discarded or unnecessary rubber articles are needed to help win this battle of rubber. It's everybody's job — start today! Here's a suggested list of things to look for — and take to any service station.

Tires and tubes	Raincoats and capes
Crepe rubber soles	Rubber heels
Boots and overshoes	Rubber bathing suits
Hot water bottles	Bathing caps and shoes
Tennis shoes	Jar rings
Rubber belting	Plumber's suction cups
Rubber gloves	Sample tire sections
Rubber sheeting	Rubber ash trays
Pads and matting	Rubber balls
Rubber toys	etc., etc., etc.

What the rubber situation appears to need most is more patriots and fewer prophets.

Official U. S. Treasury

CALIFORNIA WAR BOND QUOTAS FOR JUNE

WASHINGTON, D. C., June 1.—Henry Morgenthau, Jr., Secretary of the Treasury, today made known June War Bond quotas for the 3,070 counties in the nation to all State and County War Savings Staffs.

The June quota for the State of California is $54,440,800.

The county quotas, based upon a substantial increase over May quotas, are expected to reach ten per cent of income when the nation goes on a billion-dollar-a-month War Bond basis in July to help meet the war cost. "Everybody, every pay day, ten per cent," is the battle cry throughout the country. You can buy War Bonds at your Bank, Building & Loan Association, Post Office and at many department stores.

Quotas by counties are:

Alameda, $4,159,100; Alpine, $500; Amador, $29,700.
Butte, $159,100.
Calaveras, $18,400; Colusa, $39,500; Contra Costa, $600,100.
Del Norte, $16,700.
Eldorado, $37,600.
Fresno, $975,000.
Glenn, $63,600.
Humboldt, $196,600.
Imperial, $127,600; Inyo, $30,500.
Kern, $424,700; Kings, $129,400.
Lake, $28,300; Lassen, $67,700; Los Angeles, $20,719,400.
Madera, $62,000; Marin, $284,000; Mariposa, $10,100; Mendocino, $121,700; Merced, $181,800; Modoc, $24,100; Mono, $1,100; Monterey, $397,400.
Napa, $144,900; Nevada, $78,500.
Orange, $644,700.
Placer, $112,500; Plumas, $25,500.
Riverside, $369,500.
Sacramento, $1,273,500; San Benito, $54,800; San Bernardino, $550,100; San Diego, $2,195,200; San Francisco, $14,062,000; San Joaquin, $783,600; San Luis Obispo, $191,200; San Mateo, $705,700; Santa Barbara, $656,400; Santa Clara, $1,061,500; Santa Cruz, $284,900; Shasta, $105,300; Sierra, $17,600; Siskiyou, $143,200; Solano, $372,300; Sonoma, $408,500; Stanislaus, $320,100; Sutter, $79,700.
Tehama, $53,200; Trinity, $11,000; Tulare, $335,500; Tuolumne, $36,300.
Ventura, $243,300.
Yolo, $119,100; Yuba, $95,500.

VIEWS & OBSERVATIONS

By The Editor

OUR GOVERNMENT soon will issue a new 5c stamp bearing the heads of an American leader and a Chinese leader, with a sentence from Lincoln's Gettysburg address on it.

This is a mighty fine gesture, symbolizing the con-fraternity of nations which will emerge from this terrible war.

Your scribe went into a large restaurant in San Francisco a few nights ago and there hung six flags of the United Nations. . It was a pretty sight to see, though it seemed odd to see the "hammer and sickle" publicly displayed and now given honor, when five years ago it would have been torn down and spit upon.

Surely something good is to "emerge" from this dreadful war "emerge"-ncy!

—ww—

ODDLY ENOUGH, all the flags of the 26 United Nations contain either red or white or blue in their colors, with red and blue predominating. Four of the nations have yellow in them, a color which rather spoils the general effect.

Germany is one of the few nations which has blackness in its banner — and the black course expresses the stygian darkness of the leaders of that benighted nation since Kaiser Bill's time.

Japan's banner has red and white, but not the cerulean blue of Heaven's hue.

Of the 26 flags the United States' is the most beautiful, viewed from an artistic as well as a patriotic standpoint.

The red stands for pure blood and true; the white for the virgin beauty of the fresh snow which falls from Heaven and the white clouds which show God's handiwork; and the blue is the blue of faith, honor and virtue.

"In God We Trust" is our motto, —and that is as it should be.

MASONIC HOME NEWS

By J. H. HEATH

A colorful Flag Day ceremony was carried out at the Masonic Home by Superintendent Eubanks and Matron Lord in the spacious dining room before the serving of the noonday meal last Sunday.

Wth the choir assembled at the sideboard the assembly hall flag was brought in by two stalwart color bearers — Alec Cullen of Hollywood lodge 335, Hollywood, and Perry Riley of Lakeshore lodge, 551, Oakland. The congregation remained standing while a short program was put on. The singing under the leadership of Choir Director, Matron Lord with Frank H. Andrews, of Durant lodge 268, Berkeley, at the piano, was of two patriotic numbers "Columbia" and "America".

Directed by Superintendent Eubanks the diners gave the Oath of Allegiance, which he followed with the saying of grace, the words of which feelingly expressed the sentiments of the day. Home folks were then seated and the serving of the meal went forward.

Some of the tables were decorated with American flags, while many persons wore emblems of the "Stars and Stripes" and the British Union Jack.

The Supt. and Matron have officially extended an invitation to members with talents and who might like to contribute of the same for a home folks Fourth of July entertainment to report at the office. Judging from early response, indications are for an excellent program.

Meanwhile all hands having the "sugar habit" are kept busy with the hard and fast problem of how to make eight ounces per person last the duration of ten days.

- - - - -

Mr. and Mrs. J. L. Erwin have said goodbye to the home for an indefinite sojourn in or near Lodi, where they are "company" for their daughter while the son-in-law has answered the call of Uncle Sam in the effort of Squelching the obstreperous Japs

- - - - -

In the regular afternoon religious meeting the program was in keeping with Flag Day, with Rev. J. W. Hinkley, Pastor of the Methodist Church bringing the message and the choir leading in the community singing

The National Sojourners Chapter's, San Francisco, large flag was displayed from the 60 foot flag pole. During the day the home was favored with a large number of callers.

- - - - -

Supt. Eubanks has issued an important bulletin to the members of the home inviting them tojoin in the rubber campaign by contributing whatever in the nature of rubber can be spared from their effects. With living accommodations far in excess of 400 people it is hoped that a good showing will be made. This early cooperation with the executives indicates it

WONDERS SHOWN NIGHTLY AT THE ICE FOLLIES

Infinite rehearsal and careful study of character were necessary for Bess Ehrhardt to create "Conchita" featured in the Mexican Fiesta Sequence of the Shipstad and Johnson Ice Follies of 1942, now showing nightly at Winterland in San Francisco.

Costumed in a brilliantly sequined circular skirt, reminiscent of Carmen Miranda, and crowned with an elaborately feathered head-dress, beauteous Bess swirls and swings through a sultry traditional Mexican folk dance. The smoothness of her movements and the graceful sinousness of her arms belie the patient hours of practice necessary to perfect the new routine.

Every opportunity she had Miss Ehrhardt took advantage of the time the ice was not being utilized for other rehearsals during the summer months. Sometimes it meant being on hand at 7 a. m. and other times she stayed following the regular evening performance, practicing alone until almost 2 a. m. Although Bess worked out the actual steps and routine herself, she was aided in its perfection by Stanley Kahn, well-known San Francisco ballet master.

Bess, as "Conchita," is the highlight of the twenty-minute long Fiesta sequence. In it she is introduced by a dozen Ice Follies lads dressed as swanky Mexican dons. They work with her during the early part of the number and then retire to leave the ice to Bess alone.

During the four months of summer rehearsal when the routine was in development, Miss Ehrhardt spent hours alone learning to handle the difficult crcular skirt gracefully. In order to accomplish this, she had a dummy skirt fabricated that was exactly the same cut and the same weight as the finished costume skirt and worked with that.

Other features in the "Fiesta" sequence include a Mexican double La Jota, by Canadian champions, Colson and Claudet, the Jarabe Tapatio, or Maxican Hat Dance, and a colorful group of Mexican flower girls.

William Morris left Monday morning for service in the Army.

Yvonne Sinclair spent several days at the home of her sister, Mrs. Tony Viada of Pleasanton recently.

U. S. O. RELATES PROGRESS IN ITS MANY SERVICES

In the first six months of America's war against the Axis — the United Service Organizations has increased its total operations from 496 to 727 units, it was announced today by Chester I. Barnard, president of USO.

Since December 7, 1941, the outstanding increases in the USO activities have been as follows:

270 USO clubhouses have been opened.

47 USO lounges for troops-in-transit have been established. (previous to Pearl Harbor there were none.)

18 USO moble unit areas have been regularly serviced by fifteen special one-ton-and-half trucks and a number of smaller cars. Operating on schedule these motorized units bring a wide range of recreational equipment to service men on lonely outpost duty in all the nation's coastal states. (This mobile service was initiated after December 7 and the declaration of war.)

350 USO clubs and units have been established in Hemisphere bases.

"Even with such expansion USO has not been able to meet fully the demands of its services," Mr. Barnard said, "and the projected program for the year ahead will entail still further development of club facilities and increasing effort to serve the men whose stations keep them remote from normal opportunities of recreation and relaxation in their off duty hours.

Late reports indicate the $10,000,000 mark has been passed in USO's 1942 War Fund Campaign for $32,000,000.

BUSY WEEK END

MISSION — Linda Vista Park has been very busy over the week-end with four picnics being run into the two days. On Saturday the Schmidt Lithographing Company of San Francisco gave a well-attended family picnic with hot dogs, coffee, beer and such, free to the members and their families. On Sunday the Spanish American War veterans auxiliary, the 50-50 Club and the Columbia Steel of Oakland and San Francisco were royally entertained with contests, baseball, swimming, and races for all ages. This park is proving very attractive to the city folks and everyone is glad to get to the Mission and enjoy themselves away from the city noises, and danger of air attack.

NEWARK

Eugene Pashote
Correspondent

The Newark Fire Department extnguished a grass fire Wednesday afternoon near the residence of S. C. McNulty, one mile east of the Newark Fire Station.

Many Newark people attended the Livermore Rodeo Sunday at Livermore.

The United Service Organization drive in Newark is doing very well and the Newark committee is hoping that the funds collected will run way over their $400 quota. The committee in Newark acting on this drive are: Rev. J. L. Webster, chairman; Father McLaughlin, Lida Francis, Chester Gunn, George Hinkley, Mrs. George May, and Miss Julia Ruschin.

Mrs. James Nevis and Mrs. Eleanor Hood attended a luncheon at H. C. Capwells in Oakland on Wednesday.

Mr. and Mrs. Frank Nevis and family spent Sunday bass fishing at the Berkeley Pier.

E. Brown is improving from a fall received while working.

The Women's Improvement Club will hold their regular meeting next Tuesday, at which time plans will be made to hold a whist party. The object of this party is to raise funds for the upkeep of the Observation Post in Newark.

Many Newark members of the Washington Township Native Sons of the Golden West attended the organization's annual barbecue held at Linda Vista Park in Mission San Jose on Thursday evening. A softball game between the married and single men was played at 6 p. m.

Mrs. Emma Oliver and Miss Dorothy Bishop of San Jose and Mrs. James Nevis of Newark attended a luncheon at the home of Mrs. Frank Silva this week.

Mr. and Mrs. Jack Oliver of Watsonville spent the weekend here visiting Mr. and Mrs. James Nevis.

Mr. and Mrs. J. E. Pashote and son, and Mr and Mrs. Albert Pashote and son spent Sunday at the Jason's summer home at Felton Acres, in the Santa Cruz mountains.

The town of Newark observed Sunday, Flag Day, very well as flags were waving their stars and stripes on the industrial plants, the town flagpole, the Newark Fire Station, and many individual homes throughout the community.

The Newark Boy Scouts returned home Sunday from their summer camp in Pescadero in San Mateo County. According to Leader Jack MacGregor all the boys had a swell time swimming, hiking and enjoying other recreational activities.

Mr. and Mrs. J. A. Robinson of Mt. Eden, and Mr. and Mrs. W. J. Gould spent Sunday at Santa Cruz.

Mrs. Fred Muller entertained the Stitch-em-up Club Friday at her home. A birthday party was held following the sewing for Mrs. Muller, who was the guest of honor on her birthday.

Mr. and Mrs. Joe Dias entertained Mrs. Fanny Meyers of Redding Saturday evening. Cards were played and refreshments were served. Those present were Mr. and Mrs. James Dias, Mr. and Mrs. Manuel Vargus, Mr. and Mrs. J. L. Martin, and Mildred Dias.

Mrs. Lee Sarmento and Eva Martin spent Sunday in Willow Green.

ROTARY SPEAKER

The Niles Rotary club will continue to meet as usual at the Hotel Belvoir, notwithstanding the departure of Clark Griffin, former manager, for Fair Oaks near Sacramento. Homer Snow of the Fleishacker Zoo, son of the big game hunter, was the guest speaker at Thursday's luncheon meeting. Chick Burdick was chairman of the day.

WHAT TO DO IF A GAS ATTACK OCCURS

(This has been approved by the Medical Division of the United States Office of Civilian Defense)

1. Serious injury may result from exposure to liquid gas which may fall from airplanes. It is, therefore, imperative to remain indoors and keep the windows closed.

2. War gases are heavier than air. If you are inside a building remain there, and, if possible, go upstairs. Do not complicate the military effort by leaving your house unless circumstances make it absolutely necessary. If you are outside and not able to immediately go indoors walk — do not run — get out of the gas area. Avoid pudles of liquid gas, basements, valleys and other low places.

3. If the windows of your room are broken, go to another room, or get out of the building.

4. If you have been exposed to a war gas——

a. Breathe through cloths wet with baking soda solution.

b. If you can go outside a building. do so, but first remove your outer clothing and leave it outside.

c. Wash your hands and then your face with laundry soap and water.

d. Wash your eyes at once with a large amount of a solution of baking soda; one teaspoon of baking soda in a glass of water.

e. Take a bath using plenty of laundry soap.

f. Wash your eyes again with baking soda solution.

5. If splashes of liquid gas have gotten on you——

a. Using small pieces of cloth, cleansing tissue or toilet paper, blot up as much of the liquid as you can, being careful not to spread it.

b. Daub the contaminated area with cloths wet with Clorox, Purex, Sani-Clor, etc.

c. Steps b, c, d, e and f in 4 above.

6. Do not get excited. Lie down and cover yourself with a blanket. Your Air Raid Warden will summon medical aid.

THERE IS NO IMMEDIATE SERIOUS DANGER FROM EXPOSURE TO ANY KNOWN WAR GAS IF YOU FOLLOW THESE SIMPLE RULES. CLIP THEM OUT AND MEMORIZE THEM.

Leonard Rose was home recently visiting friends and relatives. He is stationed with the U. S. Marnes at San Diego.

SALES TAX YIELDS LARGE RETURNS EVERY MONTH

State Controller Harry B. Riley announced in Sacramento today that the sales tax is yielding an average of nearly $11,500,000 a month to the State.

In the eleven months up to May 31 sales tax revenue has totaled $127,046,864, an increase of $22,393,218 or 21 percent over collections for the corresponding period last year, Riley said.

'The favorable trend in State finances is continuing," Controller Riley said. "Today we have a cash excess of $20,962 143; a year ago we were burdened with a General Fund deficiency of $53,872,035.

"The immediate future of State finances looks bright, but because of war conditions we cannot be certain of what may appear on the distant horizon."

Controller Riley revealed that revenue totaled $228,532,188 in the eleven-months just ended, while expenditures amount to $149,836,288. Thus income exceeded expenditures by $78,695,900.

MARRIED MEN ARE WANTED BY COAST GUARD

Married men who are college graduates, between 20 and 30, with two semesters of mathematics, are now eligible for entrance into the United States Coast Guard officer training school, it was announced today.

Candidates who successfully complete the four months' training course at the Coast Guard Academy, New London, Conn., will be commissioned as ensigns.

For information apply at Coast Guard Recruiting Office, 110 Custom House, Washington and Battery Sts., San Francisco.

Jack Parry of Niles was inducted into service Monday mornng, along with Eugene Gomes, who operated the Golden Eagle Service Station.

EIGHT PUPILS GRADUATE SUNDAY AT WARM SPRINGS

WARM SPRINGS — Graduation exercises for the Warm Springs Grammar school have been advanced from Friday evening to Sunday afternoon at 2:45 o'clock, Principal L. H. Maffey announces.

County Superintendent Edgar Muller will present diplomas to the eight graduates, following presentation of a three act play entitled Pleased to Meetcha acted by the eighth graders. The seventh grade will present a one act play entitled Wild Cat Willie, followed by community singing.

RUBBER DRIVE

The President of the United States has set aside the period of June 15th to July 1st for the collection of scrap rubber. Much depends upon the success of this drive. It affects not only national defense but our very way of normal life. The nations oil companies and filling stations are acting as collection centers. Anything in the way of rubber is needed from tires to childrens rubber toys. Either take what rubber you have to your filling station or if you deal directly with an oil company give it to your local driver. The tire situation of tomorrow depends upon the success or failure of todays campaign.

GORDON GARLAND ENTERS RACE FOR PLACE ON BOARD

Gordon Garland, candidate for the Board of Equalization, Second District, will open his campaign headquarters next week in Oakland, it was announced today by his campaign committee.

The Speaker of the Assembly, who is credited with having saved the people of California more than $200,000,000 through his work as leader of the Economy Bloc in the legislature, declared that one word — "economy" — might well summarize his campaign platform.

"The announcement of my candidacy," Garland said, "has evoked widespread expressions of support from industry, agriculture and labor throughout the district. The number of unsolicited endorsements already received has been a source of gratification to me."

The Sunday School picnic of the Niles Congregational Church planned for Wednesday at Alum Rock Park was called off because some of the children were ill, and because of the rubber situation.

The parents of the graduates of the Niles Elementary school held open house last Friday night following the graduation exercises and the young people enjoyed light refreshments at the various homes.

TIN FOIL NOT MADE OF TIN; NOT WORTH MUCH

Names that don't mean what they say mean trouble any place, even in the big salvage campaign which Jos. F. MacCaughtry, director of Salvage, War Production Board, is launching. Many patriot and ambitious citizens have laboriously rolled together large balls of tin foil, and feel there must be something wrong when they learn it has a value of about three cents per pound.

"This is another situation which can be charged back to World War I," says MacCaughtry. "Then, tinfoil was tin foil, and salvaging it meant recovering much needed tin. The prices were, therefore, high. In recent years, save for cheese wrappers, most 'tin foil' has really been aluminum or lead foil, which offers a comparatively low recovery value. Any instance where a paper wrap is put between the foil and the product indicates aluminum rather than tin foil.

"On the other hand, tooth paste, shaving soap and toilet creams come in almost pure tin, and have a salvage value of 35 to 50 cents per pound. These are what the patriotic 'salvateer' should save, and will be most useful if folded into flat packages."

Miss Julianne Katherine McDonald, daughter of Mr. and Mrs. J. A. McDonald of Niles received her associate in arts degree with honorable mention at the University of California recently.

TO MY MANY FRIENDS AND CUSTOMERS

I am now a soldier of the U. S. Army. The Station will be in charge of Mr. Glenn Metcalf. Your continuous support as in the past will be greatly appreciated by me during my absence while I am in service.

Thank you,

Eugene E. Gomes
